

In this Maggot Mail: Regional Roundup, NVD Deadline, ParaBoss Report on WA Parasite Issues.

THE SHEEP'S BACK

WA's
SHEEP NETWORK

MAGGOT MAIL NOVEMBER 2015

This Regional Roundup we are asking about:

- Fly Activity
- Worm Activity
- Feeding Regime
- Seasonal Comments
- Water This Summer
- [Click here](#) to read the report.

safemeat

A reminder that from November 16 2015 only the current LPA NVD (version 0413) can be used by producers to consign, move or sell livestock. [Click here](#) to find out more.

paraboss

Check out Paraboss which is an online resource for all things to do with parasite management. This is an excellent service that also provides a state by state update and outlook throughout the year.

[Click here](#) to get WA's current issues and management advice as well as general comments on parasite management.

After three good weeks the market takes a breather...

Read Mecardo's take on the wool market with Robert Herrmann.
