

OPEN DAY

YATHONGA STATION'S NEW SHEARING SHED

All woolgrowers are invited to join Australian Wool Innovation (AWI) and the Le Lievre family at Yathonga station's new shearing shed. Stuart and Gabie Le Lievre will be opening their shearing shed doors to all those interested to hear from and talk to those involved in the design of this shearing shed as well as AWI CEO and staff, on the latest in wool research, development and marketing.

WHEN: Wednesday 14th April 2021
12:00pm-3:00pm (presentations at 12:30pm)

WHERE: Yathonga Station, Darling River Rd East
(Eastern side of Darling River Louth to Tilpa),
Louth NSW 2840
54km from Louth toward Tilpa, 40km from Tilpa towards Louth

RSVP: For catering and COVID-19 requirements
all must RSVP to register for the day,
please go to www.wool.com/events

The Le Lievre's new shearing shed is based on the AWI shed design project which gave experienced shed staff, shearers and woolgrowers the opportunity to address key areas for design using their vast knowledge and experience. For more information on the shed design go to www.wool.com/sheddesign.

Lunch and light refreshments will be available on the day.

For further information on the open day, contact Henry Ridge (AWI) 0429 722 724.
