

# WINNING WITH WEANERS

## LIFTING THE LIFETIME PERFORMANCE OF YOUNG MERINO SHEEP

### WORKSHOP INVITATION - COWRA

#### ABOUT THE WORKSHOP

- Learn about the short, medium and long term impacts of poor weaner management on flock productivity.
- Develop a weaner management plan for your weaners, including setting a target weaning weight, target weights at key times, and feeding options.
- This practical workshop will help you identify key management strategies that will assist you in improving the performance of your Merino weaners, thereby optimising their performance in your flock for their lifetime.

#### UPCOMING WORKSHOP DETAILS

**Workshop location and address:**

Cowra Agricultural Research and Advisory Station  
296 Binni Creek Rd  
Cowra NSW 2794

**Date:** 23rd November 2023

**Presenters:** Dr Sue Hatcher, Makin Outcomes & Brett Littler, Local Land Services.

**Time:** 9am - 4pm

**Cost:** \$75 per person. This includes morning tea, lunch and all workshop materials.

#### BONUS SESSIONS

1. Overall the workshop will build in a drought resilience focus with bonus sessions on early weaning, feed budgeting and containment feeding.
2. Your local Rural Adversity Mental Health Program Coordinator will join us for a short session to provide some information around managing stress, looking after yourself, your family or a mate and what local services are available if you need support.
